KITCHENS

Food
Art

OUR HISTORY

Founded in 2001 in the heart of Beirut, what started as a small restaurant has evolved into a full service restaurant with a central kitchen throughout Lebanon and Middle East. Our philosophy from the beginning is to have the best quality, taste and services. Starting from a small menu of staff meals, cold sandwiches and desserts also proved to be the best supplier of frozen arabic snacks. Our objective is to serve our clients in a specialized manner.

OUR STAFF

We are proud to have more than 89 of very well educated and professional employees in our team. Sales, marketing, logistics, warehouse, chefs, food producers, IT, HR, quality controllers and administration have amazing and wide-ranging experience of creating one of the best central kitchen companies in Middle East. Our team is a skilled staff working in a creative environment through respect, teamwork spirit and tirelessly atmosphere.

OUR CORE VALUES

Respect our clients and team is one of our main values. Giving best value for agreed quality and striving for continuous operational improvements through honesty, integrity, dedication and loyalty outline the heart of fundamental values.

OUR MISSION

Providing the top food quality to customers, achieving consistency through our skilled staff and using the freshest ingredients.

OUR VISION

We aim to focus on establishing our name in the society and to compete fairly in the market.

OUR SERVICES

We offer tailored solutions of many varied requirements of clients. And are ready to provide staff meals, pre-school and school meals and frozen handmade artisanal food as well as ready-made cooked snacks and food. All the products are made under strictest measures of quality and hygiene.
